## **Pete Corbin Memorial Shoot 2009**

Around 35 archers turned up to this memorial shoot – including some of his friends - to shoot a mix of 30 3Ds & faces. The competition was based on a Handicap scoring system (still no idea how that works!) in the most treacherous of weather conditions! Congrats to all those who took part.

### **Gentlemen Archers:**

|                       |               |                |
