

SOUTH WILTS BLUEBELL SHOOT – 4 MAY

The weather was marvellous for the 186 people who took part in our spring shoot. The woods were a carpet of blue and our only mishap on the course was what appeared to be an approximately 1 day old fawn left by its mother 2 feet from the walkout from target 38. At least 40 people passed the absolutely motionless baby before we realised it was there. We quickly made this a “walk back” target and left the baby well alone. We of course called it “Bluebell”.

Thank you all for the applause at the end of the day. Also thanks must go to all members of the club who laid the course, did the admin and to all the catering staff.

Peter Dixon, Field Secretary, South Wilts Archery Club
