Ladies and Gentlemen

Our congratulations must go to Richard Powell in setting new National Records for the Metric Round, the 50 metre distance and 30 metre distance shooting the Longbow.

I would also like to thank Jenesta Smith for being our elegant Lady Paramount and also for providing us with two prizes.

The somewhat inebriated visitor who delayed the start of the competition was efficiently dealt with by one of our visiting archers and the Wiltshire Constabulary.

My final thanks goes to South Wilts Archers who set out the field, provided the food and worked so hard finding your errant arrows.

I have been advised that all the building work should be finished in time for the Double 70 metre competition allowing the refreshments and car parking to be much closer to the shooting line in August.

Many thanks for attending the event and hope to see you at many more to come.
